PREFACE

This is the final volume in a publication project begun in 1998, covering in total clergy ordinations by the Archbishops of York from 1500 up to 1849. This present volume has been prepared by Miss Debbie Usher and covers the second half of the eighteenth century. It presents in alphabetical register form the ordination records taken from the series of archiepiscopal institution act books, supplemented by the original files of ordination papers (containing testimonials, baptismal certificates, nominations to curacies etc.).
