Board of Examiners – W/C 9th September

* Please be aware that the Safe Medicate Numeracy assessment is an examination that will be available for 24 hours online, students will have a 4 hour window in which to complete the assessment once you have started it. It is anticipated that the exam should take about an hour. Students with additional time requirements will be given an additional 25%/50% (in line with your approved student support plan) of the 4 hour window to complete this assessment. You should check your access to and be familiar with the SafeMedicate platform in advance of the exam. The exam will be released at the time indicated by 'R' and will become unavailable at the time indicated by 'S'.

Essay and assignment submission deadlines remain as 16.30 pm on the date stipulated above

Please note that while every effort will be made to adhere to this schedule, the dates may be subject to change due to unavoidable circumstances.

The Student Assessment Office will notify you of any changes via your University email account.

Professionally regulated programmes:

In any assessment a failure to identify a serious problem or an answer that would cause a patient/client harm will result in failure of the assessment

If you are applying for mitigating circumstances in relation to your assessment, please note that your claim must be submitted by 4.30pm on the assessment date for extension requests and within one week from the assessment date for claims for performance

Please note that while every effort will be made to adhere to this schedule, the dates may be subject to change due to unavoidable circumstances.

The Student Assessment Office will notify you of any changes via your University email account.

Professionally regulated programmes:

In any assessment a failure to identify a serious problem or an answer that would cause a patient/client harm will result in failure of the assessment
