If you are applying for exceptional circumstances in relation to your assessment please note that your claim must be submitted by 4.30pm on the assessment date for extension requests and within one week from the assessment date for claims for performance

The NMC (2009) standards for pre-registration midwifery education stipulate that all students must successfully complete all outstanding assessments, i.e. all module assessments must be passed, within 12 weeks of entering the next stage of the nursing programme in order for students to progress to the next stage of the programme.
