At the University of York, we take pride in our ‘green’ credentials and when it comes to travel, we encourage staff, students and visitors alike to consider how they will get here and to choose sustainable options wherever possible.

Whether you frequently travel to the University of York, or are coming for the first time, this travel guide provides a useful summary of your travel options for getting to Campus East. You’ll find information on walking, cycling and public transport as well as travelling by car.

Further information can be found at: www.york.ac.uk/admin/estates/transport/index.html

WELCOME

TRAVEL ON FOOT

Walking is a great way to get – and stay – healthy.
Walking to Campus East is a great way to fit exercise into your daily routine.

If you are travelling from Campus West or from Fulford, a dedicated pedestrian route runs along Lakeside Way, taking you into the heart of Campus East from the junction with Field Lane/Church Lane.

If you are approaching from Hull Road, the easiest route into Campus East is via the Field Lane roundabout.

Once on Campus East you’ll find signage directing you to individual buildings, along with a series of useful information points, which include a Campus map.

To plan your journey on foot, visit www.walkit.com – simply enter your journey start and end points to find the quickest route.

TRAVEL BY BIKE

Cycling is a great way to get to Campus East, whether travelling from locally or slightly further afield; most people can cover distances of up to 5km easily within 30 minutes.

Campus East has great facilities for cyclists; a network of interconnecting routes criss-cross it, linking it with Campus West via Lakeside Way and with Hull Road via Field Lane or Kimberlow Lane. Both routes have dedicated cycleway provision.

We also provide cycle parking across the Campus (for locations, take a look at the map to the rear of this guide).

Visit www.cyclesstreet.net to plan your journey by bike - enter your journey start and end points to receive a downloadable journey plan of the quickest or easiest route.
