5. Claims general

a. (i) Your claim must be notified to us by you fully completing and signing the official claim form. Incomplete claim forms will be returned and may cause a delay in your claim being assessed. In any event claim forms must be completed at your own expense and should be received by us within 60 days of receiving your dental treatment, if reasonably possible;

(ii) Your claim must be supported by proof of treatment detailing the dates and costs of each individual treatment. The proof must be a fully itemised receipt or an official document issued by the treating practice (in English if reasonably possible). Where a receipt or an official document is unobtainable, the treating dental surgery must sign and stamp the completed claim form;

(iii) You may need to provide us with documentation to support your claim, for example x-rays and/or your dental records.

b. No benefit will be payable if we have not received proof of all facts relevant to your claim. For example:

(i) proof of your eligibility for cover on the date of treatment;

(ii) proof that the dental treatment has been received, including the type of treatment received and the date of treatment. This may be by way of a medical report (at your own expense);

(iii) proof of payment for the dental treatment you are claiming for;

(iv) for claims under the worldwide dental injury benefit, details relating to the circumstances of the injury you have experienced.

c. In all cases we reserve the right to recover any incurred costs as a result of a third party’s involvement. In addition if you have another dental insurance policy we reserve the right to only pay an appropriate apportionment of the claim.

d. Claims settlement will be made payable to the policyholder, or any other third party as specified by the policyholder on the claim form. We will send cheques to a UK address only, and all direct credit settlements must be paid into a UK clearing bank account.

e. If the treatment is received abroad then we will pay benefits in pounds sterling. This means we will need to convert the expenditure into sterling using FXConverter at www.oanda.com. The exchange rate will be calculated at the rate in force at the date of the receipt, and will be the basis of the settlement.

f. There may be instances where we are uncertain about whether or not a claim is covered by the policy. If this is the case we may at our own cost ask a dentist or other medical specialist, chosen by us, to advise us about the medical facts relating to a claim or to examine you in connection with the claim. In choosing a relevant dentist or specialist we will take into account your personal circumstances. If you do not co-operate with any dentist or specialist chosen by us, we will not pay your claim.

g. If we pay any costs for dental treatment which are not covered by the terms of this policy, the amount paid will count towards the annual maximum benefit available under the policy for that person. It does not mean that we will be liable to pay costs for that dental treatment in the future.

For further information visit www.denplan.co.uk
6. Cancellation

The Financial Conduct Authority rules allow certain policyholders to cancel their policy and have their premium returned. This will only apply to you if you are:

a. paying premiums directly to us;

b. an unincorporated business (a sole trader or a partnership which is not a Limited Liability Partnership) and are purchasing the cover for yourself as well as your employees.

If you are covered under a company arranged group, this is not applicable to you and any queries should be raised with your administrator.

You have 14 days from receiving your welcome or renewal letter to change your mind and cancel your policy. If you cancel within this period we will then return any premium paid for the policy, as long as no claims have been made on the policy in relation to the period of cover before cancellation.

Should you wish to cancel your policy with us, you can do so by informing us.

7. General

a. This contract between you and us is made up of these terms and conditions, your schedule of cover and any endorsement provided by us in your welcome or renewal letter.

c. Non payment of premium will result in us suspending your benefits, and taking all necessary action to recover monies outstanding.

d. The law of England and Wales will apply to this policy.

e. All information and communications to you relating to the policy will be in English.

f. All policyholders must provide an up to date mailing address.

g. If you (or anyone acting on your behalf) make a claim under your policy or obtain cover knowing it to be false or fraudulent, we can refuse to make benefit payments for that claim and may declare the policy void, as if it never existed. If we have already paid benefit we can recover that money from you. Where we have paid a claim which we later find is fraudulent, (whether in whole, or in part), we will be able to recover those sums from you and/or take the appropriate legal action against you.

h. If you pay your premium directly to us, we will write to you before the end of any policy term to let you know that we wish to renew your policy and on what terms. If we do not hear from you in response, then we may at our option assume that you wish to renew your current policy on those new terms. Where you have opted to pay the premium by Direct Debit, we may continue to collect premiums by Direct Debit for the new policy term. Please note that if we do not receive your premium, this may affect your cover. We reserve the right to refuse renewal of the policy.
