Choosing the right product for you

Choosing the product that is right for you will depend on:

✓ How regularly you visit your dentist for your routine examinations and scale & polish
✓ Your oral health i.e. whether you have fillings, crowns, bridges or gum disease
✓ Your dentists fee scales, as costs for private treatment can vary by practice and region

Examples of employee choices

Louise
has chosen Denplan Key because she prefers to fund her own dental treatment, but likes the reassurance of dental accident and dental emergency cover.

Richard
has chosen Denplan Elementary because it helps make NHS dental charges more manageable.

Karen
has chosen Denplan Essential because she visits her dentist once a year, has good oral health and has had little dental treatment in the past.

John
has chosen Denplan Essential Plus because he visits his dentist once a year, but has had previous dental treatment including some fillings and a bridge.

Sarah
has chosen Denplan Extensive because she visits her dentist twice a year, has good oral health and has had little dental treatment in the past.

Jane
has chosen Denplan Extensive Plus as she visits her dentist twice a year and has had previous dental treatment including crowns.

Richard
has chosen Denplan Elementary because it helps make NHS dental charges more manageable.

Karen
has chosen Denplan Essential because she visits her dentist once a year, has good oral health and has had little dental treatment in the past.

John
has chosen Denplan Essential Plus because he visits his dentist once a year, but has had previous dental treatment including some fillings and a bridge.

Sarah
has chosen Denplan Extensive because she visits her dentist twice a year, has good oral health and has had little dental treatment in the past.

Jane
has chosen Denplan Extensive Plus as she visits her dentist twice a year and has had previous dental treatment including crowns.

Treatment | Average cost in 2014
--- | ---
Examination | £39
Scale and Polish | £51
Fillings | £107
Extraction | £131
Root Canal | £301
Crown | £420
Bridge | £589

1 examples are shown for illustrative purposes and do not constitute advice.
2 Figures based on the average cost of claims submitted to Denplan in 2013 for treatment received under the Wellbeing Product Range.
N.B. These are average costs; actual costs can vary depending on the complexity of treatment required and the fee scale for the treating dentist.
