**Mad SCHEME TERMS AND CONDITIONS**

The University anticipates that the scheme will operate in the three catering venues noted in this brochure. However, we reserve the right to reduce or increase the number of outlets dependent on the number of students who sign up to the scheme. We also reserve the right to substitute one outlet for another for either breakfast or dinner or both.

Any changes to published information will be provided when you collect your card. Any changes during term time will be published a) on the University’s York Extra information announcement system which ‘pops up’ when you log on to your University networked computer and b) on notices posted in the catering outlet. Wherever practicable at least five days notice will be provided of any changes.

MAD cards must be presented at all meal times.

Meal allocations are fixed by time and to the venues outlined in the brochure. The value of missed meals cannot be refunded or transferred.

The MAD card value expires after Friday dinner week ’10 on all MAD packages. Any unused value cannot be refunded.

The card cannot be used to purchase alcohol and tobacco or any items from our retail stores.

The value shown on the card cannot be exchanged for cash/change. The cards remain the property of the University at all times. Lost cards should be reported to our MAD Card administrator (Tel 01904 328443/328464, email odmd664@york.ac.uk) who will block future use of the lost card. Replacement cards will be issued at the last known balance (as per system records) and an administration fee of £10.00 charged for the new card.

The University will not be responsible for losses incurred on lost or stolen cards.

The University will retain any blocked cards.

The cards are non-transferable and can only be used by the registered card holder.

If you leave the University during the first four weeks of the new academic year any remaining balance on the card will be refunded less an administration charge of £10. Refund requests for any other reason will be dealt with on a case by case discretionary basis. This refund concession is not available if you decide to leave the scheme for any other reason at any time during the term.

Please present the card to a member of University staff if requested to do so.

The University shall not be held responsible, or deemed to be in breach of service by being unable to provide meal services in any catering outlet due to force majeure or any other cause beyond the University’s control. Under such circumstances lost meal values will not be refunded. Wherever practicable, meals will be provided in another unaffected outlet, however this cannot be guaranteed.

For further information please contact University of York, Commercial Services 01904 328443/328464.
