

**REGISTERS OF BAPTISMS, MARRIAGES AND BURIALS DEPOSITED IN THE
BORTHWICK INSTITUTE, UNIVERSITY OF YORK**

This list includes the registers of parishes which deposit their records at the Borthwick. There are also a few additional entries for registers that we have microfilm copies of but for which we do not hold the originals. These are shown in italics. Most of the original registers held at the Borthwick have been microfilmed and it is these microfilms that are consulted in the search rooms. A full list of microfilms is available in the search rooms. This list does not include parish register transcripts (bishops' transcripts) or modern printed or typescript copies.
