Notes: Housing for rent figures include major repairs, mini-HAG, Rough Sleepers Initiative and City Challenge, but exclude ERCF. Housing for sale includes Purchase Grant from 1996/97.

Non-ADP receipts are loan receipts, including those, in 1996/97 and 1997/98, from the sale of the Housing Corporation loans portfolio. 2003/04 and 2004/05 figures include all Homeless Directive Initiatives, Starter Homes Initiative, Thames Gateway and Safer Communities programmes. They do not include Transitional Local Authority Social Housing Grant or Rent Restructuring Grant. Annual Accounts from 2003/04 to 2005/06 do not provide a split between grants for rent and grants for sale (other than through some designated sales schemes). The gross budget for 2008/09 is forecast at £2,544 million.
