Notes: Income support and supplementary benefit figures for help with mortgage costs in Northern Ireland are from surveys undertaken in May each year, except 1997 which is for November.

For years where figures are not available for help with home-owner housing costs, a trend based estimate has been included in the total help with housing costs figures for Northern Ireland. From 1997/98 figures for help with mortgage costs include assistance given as part of the jobseeker's allowance scheme, as well as income support.
