Notes: Figures include shared ownership sales. Scottish housing association figures include right to buy and some voluntary sales by Scottish Homes. Figures for housing association sales in England from 1996 onwards are for the financial year, and include the preserved right to buy, but not the right to acquire. The Scottish housing association figures for 2006 and 2007 are those for the financial years 2006/07 and 2007/08; that for 2008 was not available. This omission also affects the total figure for Great Britain for 2008.
