Sources: See tables for local authority gross investment in each country.

Notes: Capital provision includes all supported borrowing, and capital grants, including provision for the Estate Action and ALMO programmes in England. Local resources comprise the use of capital receipts and RCCOs (revenue contributions to capital outlay). Welsh capital provision figures include capital vired to Housing for Wales for local authority housing association schemes (for the years to 1997/98). Scottish figures for 1995/96 and 1996/97 exclude provision for transfers of existing new town stock. Scottish figures do not include new community ownership and the fuel poverty programmes introduced in 1999/00.
