Sources: DLUHC Local Authority Housing Statistics' open dataset from 2011/12 to 2020/21, DCLG Live Tables 313 and 314 and Housing and Construction Statistics, Welsh Housing Statistics, and Scottish Government Housing Statistics Bulletins.

Notes: 1. Includes grants under 1985, 1989 and 1996 Acts for repairs and improvements. Includes disabled facilities grants under the 1989 and 1996 Acts for England and Wales.

2. Until 2009 the 1985 Act continued to operate in Scotland, and made no separate provision for disabled facilities grants. From 2003, figures are for financial years.

3. From 2010, Scotland figures refer to grants and other financial assistance made under the Scheme of Assistance established by the Housing (Scotland) Act 2006.

4. From 2011, DLUHC (and predecessors) no longer publishes data on disabled facilities grants.

5. English figures for private sector improvement grants plus loans and other forms of financial assistance are extracted from the Local Authority Housing Statistics open dataset from 2011/12 onwards, with any obvious reporting errors rectified. Figures for 2020/21 are provisional only.

6. Disabled facilities grant figures for Wales include both mandatory and discretionary grants from 2009/10.

7. Due to the pandemic in 2020, data on assistance for housing improvement in Wales for 2019/20 were not collected. Historic figures were also revised in 2022 and therefore differ from those reported in previous versions of this table.
