Source: Original analysis derived from the Living Costs and Food Survey and previously the Family Expenditure Survey and the Expenditure and Food Survey using data supplied by Office for National Statistics.

Notes: 1. The figures for Scotland, Wales and Northern Ireland from 2000/01 should be treated with caution due to small sample sizes; some figures are omitted for this reason.

2. Figures for Northern Ireland exclude endowment policies from before 1984.

3. From 2006 the reporting period for the Expenditure and Food Survey became calendar years, reverting to financial years from 2014/15. Figures for 2014/15 are therefore not included because of the overlap with 2014.
