

THE UNIVERSITY of York

# The IT Academy

## Microsoft Passport MCP MCSA MCSE

Individual Modules only £800, 4 modules £2000, 8 Modules £4000

### Jump start your IT career TODAY

The University of York IT Academy is pleased to offer a wide range of Microsoft courses that can be taken as individual modules or combined to achieved MCSA or MCSE accreditation.

By earning the premier MCSE credential, individuals are demonstrating that they have the skills necessary to lead organizations in the successful design, implementation, and administration of the most advanced Windows operating system and Enterprise Servers.

The MCSA credential offers IT professionals a competitive edge in today's constantly changing business environment by validating the specific experience required by the network and systems administrator job role.

All courses will be taught at the University of York by Microsoft Certified
