

Where's my room?

The first section of the code denotes the **building** the room is located in.

The middle section of the code denotes the **block** that the room is located in.

The final section denotes the **room number**. The first number of the room number shows which **floor** the room is on i.e. 0= ground floor, 1 = first floor room, etc.

Biology/ Block K/ First Floor, Room 101
