

Head of Department Application Statement

At the point of application, you will be required to submit a written summary addressing the following points:

- your personal vision for the department over the next 4 years, particularly within the wider university strategy discussion
- your view of the current/potential challenges and opportunities for the department/faculty
- how you personally will achieve your vision, taking into account the challenges/opportunities
- how you would contribute to the wider leadership across the university, as a member of the Senior Leaders group (all Heads of academic and professional services departments)
- how you will respond to the financial challenges at the departmental and university level
