After reading about the research activities of the various researchers in [GeneTime](#) please, indicate the research group(s) and projects in which you would like to work:

Your options are, Bradley, Dublin; Willerslev, Copenhagen; Shapiro, Oxford; Collins, York.

- 1.
- 2.
- 3

EDUCATION

First Degree (Bachelor Degree, or equivalent)

_____ University/College		_____ Dates (from - to)
_____ First Degree	_____ Date (expected)	_____ Grade (if known)
_____ Name of Advisor (if applicable)		_____ Subject area of study

Second Degree (Master's Degree, or equivalent)

_____ University/College		_____ Dates (from - to)
_____ First Degree	_____ Date (expected)	_____ Grade (if known)
_____ Name of Advisor (if applicable)		_____ Subject area of study

If you have already obtained your degree or certificate of marks, please include a photocopy of the certificate.

If your education has been interrupted, or if you have already obtained other diplomas or equivalent, please specify in the space below the occupation(s) you have pursued in the interim.

Please give a brief summary in tabular form of your education and training at university, college, etc. (i.e. after leaving school). Do not exceed this page.

Coursework

Please list the courses you have taken and the grades obtained. Include all university level or other relevant courses. If you have passed final University examinations, please give details. Do not exceed this page.

Research experience

On this page write the title and a description of your diploma (thesis) research, or equivalent. Indicate the significance, the aims and your contributions and, in all cases, state the number of months of research involved. If you have carried out other research prior to your diploma, or since then, please describe it briefly in a separate paragraph. Please do not exceed one page. List publications, if there are any.

Scientific Interests

On this page, please write a short summary of the area of the GeneTime Program that you find most interesting, and why. Do not exceed two pages.

Honors, Scholarships, Prizes and Awards

In the space provided below, list any honors or awards that you feel are relevant to this application. Include dates and a short description.

Personal interests

Please list below your personal interests that are not directly related to your university degree.

How did you learn about the program?

- Internet web site
- Advertisement in Scientific Journals, please specify here..
- Friends, colleagues, other students, faculty members
- Other, please specify here..
