IT Strategy 2014-2016

Year 1
- Technology enabled learning spaces (phase 1)
- E-assessment (phase 1)
- Programme and module catalogue replacement (phase 1)
- Wireless expansion (phase 1)
- Tier 3 research computing facility (phase 1)
- Research Data Management (phase 1)
- Research computing funding
- In partnership with HR and Finance, review our Human Resources (HR) and Payroll system

Year 2
- Technology enabled learning spaces (phase 2)
- Accommodation system replacement (phase 2)
- Software provision and licensing (phase 2)
- Module choice system
- E-assessment (phase 2)
- Programme and module catalogue (phase 2)
- Wireless expansion (phase 2)
- Specialist computing training (phase 2)
- Research Data Management (phase 2)
- Research management system (phase 1)
- Partnership IT (phase 1)
- IDM infrastructure replacement (phase 2)
- Network segregation (phase 2)
- Embedding ITIL (phase 1)
- Self-registration of devices on the network
- Using IT effectively (phase 1)

Year 3
- Technology enabled learning spaces (phase 3)
- Wireless expansion (phase 3)
- Data storage (phase 3)
- Research Data Management (phase 3)
- Internal cloud service (phase 2)
- Partnership IT (phase 3)
- Hes West data cabling upgrade (phase 3)
- Desktop service improvements (phase 3)
- Network segmentation (phase 3)
- Service monitoring (phase 3)

Supporting teaching and learning
- Supporting research

Maximising efficiency and effectiveness
Providing an excellent IT environment
