**Where is HSE Petersburg?**

Founded 1992 - The National Research University Higher School of Economics (abbreviated to HSE) is one of the leading and largest universities in Russia. The university specializes in economics, social sciences, mathematics, computer science, media communications and design. It is located in St Petersburg, once the capital of Russia on the Baltic coast.

**Who can go?**

- **Two places** will be made available to York undergraduate students in 2019/20, with priority for History and Politics students **3+1 students**.
- Only students on courses that can be extended to the four year ‘with a year abroad’ can be considered for this exchange due to the number of English language courses available.
- This will be an additional year in your 3rd year of studies on a 4 year programme. Please speak to your Department about the possibility of transferring onto one of these programmes if you are not already registered on one.
- Please consult the **Opportunities by Subject** webpage to see if your department is eligible for other exchanges.

**Courses**

- York students must take **30 ECTS per semester**, with a total of **60 credits over the year** being equivalent to 120 York credits.
- HSE St Petersburg has courses taught in English, therefore no Russian is required to apply for this exchange.
- To take Russian taught courses you will require Russian to at least the **B2 CEFR level**.
- A catalogue of the 2018-19 courses taught in English (or prospectus) is available online to be used as a guide: spb.hse.ru/international/2015courses/

**How will my marks be assessed/converted?**

- Grade Conversion Tables for each institution will be made available to successful applicants.
- University of York staff can access Grade Conversion Tables here: york.ac.uk/students/study-abroad/accepted/#tab-5
- Please ensure that you are fully aware of how your grades will be converted on your return to York. Students on additional years will have different arrangements to those on credit-replacing exchange.

**Costs**

*Please note that the costs below are based on previous years and are provided for guidance only. Exact costs may vary due to exchange rates, inflation, personal circumstance and/or other reasons.*

- **Tuition Fees**: Students will pay no tuition fees to HSE St Petersburg and in 2018/19 their University of York fees were reduced to 15% of the full academic fee.
- **Visas**: Please check the costs related to applying for a visa. Approximately £200. (For further information on visas see section below)
- **Medical certificates which are likely to incur additional cost**: When applying for a student visa you must additionally submit a HIV Test (AIDS) Certificate taken within the last three months that shows a negative result. HIV Test (AIDS) Certificate should still be valid for 15-30 days on the day of your visa application. This information is taken from: ru.vfsglobal.co.uk/know_your_visa_type.html
If you apply for accommodation in the HSE student dormitory, upon check-in you will be required to provide a general health certificate and a certification of a recent fluorographic chest/lungs X-Ray translated into Russian. To learn more, please check the HSE website: [hse.ru/international/housing](http://hse.ru/international/housing)

**Insurance**: Before arriving in Russia, students are required to purchase their own health and accident insurance in their home country. They will **not** be able to receive a Russian Student Visa without valid medical insurance. If they already have insurance, they should contact their provider and confirm that their insurance policy is valid in Russia and check the details of your cover. Students are advised on the HSE website to obtain a list of hospitals that they may attend should the need arise, and make a note of their insurance company's emergency contacts.

**Additional costs to consider**: flights, accommodation, travel insurance, living costs (food, books, and money for additional travel/activities).

**Financial Assistance**

Students selected to take part in the exchange to HSE St Petersburg in 2019/20 will be eligible to apply for financial assistance via Erasmus+ International Credit Mobility funding. Erasmus funding can vary from year to year. In 2019/20, students on exchange in Russia are receiving a grant of 700 EUR per month, plus a 275 EUR travel allowance. Further details about this funding and how to apply will be given to students as part of their exchange preparation in the Spring Term. More information on our [Exchange Finances and Funding](http://www.hse.ru) page.

**Visa**

*Please be aware that Centre for Global Programmes staff are not qualified to offer consultations or in-depth advice regarding visa applications. Immigration laws are complex and subject to frequent changes.* Therefore if you do have any further questions about the process of applying for your visa you will need to contact the appropriate Embassy directly. The information below is intended as guidance only and unless otherwise stated applies only to UK citizens without exceptional circumstances.

- Most exchange students will need a Study Visa to enter Russia. The International Office will issue a visa invitation for the student and send the hard copy by post. To learn more about Russian visas, please see here: [hse.ru/international/departure](http://hse.ru/international/departure).
- For visa application requirements the students should consult their local Russian embassy/consulate.

**What’s it like to study there?**

'I feel like I know what to do more, but I’m quite a ways from feeling like a local. If I spoke better Russian that might help a tad. As for feeling at home, yes I think it is fair to say I am starting to slip into a routine. I guess that makes it feel more like home? I certainly feel like I have more of a place there than I did before. I still feel like not too much has changed about me but I do feel a lot more confident. Biggest challenge so far? ....... it’s difficult for timetables to be worked out and I have missed more than one lecture because of technical issues. Still, bright side, I do now know I have to fight to get to lectures. I have got a student ticket now, for public transport. ....... it’s super useful.’

**Where will I live?**

- International students at HSE St. Petersburg can choose from 3 types of housing: HSE student dormitory, hostels or private rented apartments.

  **HSE Student Dormitory**:

- All international students (both full-time and exchange, as well as free-movers) are offered a place at the new [HSE Student Dormitory](http://www.hse.ru) located at 21A Zaporozhskaya Street, within a 10-minute walk from the Obukhovo (Обухово) metro station (green line). Accommodation is in rooms for two or four people and cost from approximately 670-733 Rubles per month in 2017. If you would like to apply for this accommodation you should indicate that you need a place in the dormitory on your application form. Find out more at [spb.hse.ru/international/housing](http://spb.hse.ru/international/housing).
Hostels:

- There are plenty of hostels in the city centre. A bed in a hostel costs about 20 euros/night. You can find more information about hostels and facilities here.
- For further information, please contact the International Office at HSE.

Private rented apartments:

- Many students prefer to rent an apartment individually or to share with others, either from the beginning of their stay in St. Petersburg or at a later date once they have settled in. The rental fee for a 1-bedroom (2 rooms with a separate kitchen) starts from 400 - 700 euro/month, depending on location and other factors. Please inform Centre for International Education about your plans to rent a private accommodation.

Is it the right choice for me?
