Exchange Scheme with the University of Rochester

Where is Rochester?

Founded in 1850—the University of Rochester is one of the country’s top-tier research universities. The university has a student population of just over 11,000 and ranks 58 in the US college rankings. Rochester is located in the state of New York, not too far from the Canadian border with Toronto.

Who can go?

- Two places will be made available to York undergraduate students in 2019/20 with one place reserved for Sociology 3+1 students.
- This will replace your 2nd year of study at York for credit-replacing programmes (or the 2nd/3rd year of study if you’re on a 4 year programme). Please speak to your department about the availability of extended degrees that allow you to take an additional year to study abroad.
- Please consult the Opportunities by Subject webpage to see if your department is eligible for exchange.

Courses

- Students will be expected to take at least 32 credits during their year at Rochester (i.e. 16 credits per semester, to a maximum of 19). All 32 credits should be taken in the student’s degree subject in order to achieve the equivalent of 120 York credits.
- The course catalogue serves as a general guide to the courses available. However, not all courses may be available in each semester and some may be restricted.
- The course catalogues from 2010-2018 can be accessed here as a guide: cdcs.ur.rochester.edu/.
- Please note that there is a compulsory module, US Life: Customs and Practices for all international students.

How will my marks be assessed/converted?

- Grade Conversion Tables for each institution will be made available to successful applicants.
- University of York staff can access Grade Conversion Tables here: york.ac.uk/students/study-abroad/accepted/#tab-5
- Please ensure that you are fully aware of how your grades will be converted on your return to York. Students on additional years will have different arrangements to those on credit-replacing exchange.

Costs

Please note that the costs below are based on previous years and are provided for guidance only. Exact costs may vary due to exchange rates, inflation, personal circumstance and/or other reasons.

- Tuitions Fees: Students will pay no tuition fees to Rochester and in 2018/19 their University of York fees were reduced to 15% of the full academic fee.
- Visas: There are two fees associated with the visa application. The application fee itself is approximately $160. There will also be a $180 (J-1 and F-1 student’s) SEVIS Fee payable in advance of the visa application. SEVIS is the US immigration system that tracks foreign and exchange students.
- Medical insurance and waiver: All exchange students are required to be covered under the Student Health Plan, which includes the mandatory health fee and health insurance. Students can enrol in the University-
sponsored insurance plan or waive the insurance if their plan meets the University insurance criteria. All students must also complete the **Health History Form**. The university-sponsored **Aetna Student Health insurance** for 2016/17 for an individual student is $2460.

- **Mandatory Health Fee** – This fee, which is paid by all full-time students, covers visits to the University Health Service and the University Counselling Center. The mandatory health fee for 2016/17 is $464.

- **Additional costs to consider**: flights, accommodation, travel insurance, living costs (food, books, money for additional travel/activities)

### Financial Assistance

There is funding available for some students on North America exchanges through the US Alumni Connection Award Bursary. More information on this and other funding can be found on our [Exchange Finances and Funding webpage](#).

### Visa

*Please be aware that Centre for Global Programmes staff are not qualified to offer consultations or in-depth advice regarding visa applications. Immigration laws are complex and subject to frequent changes. Therefore if you do have any further questions about the process of applying for your visa you will need to contact the appropriate Embassy directly. The information below is intended as guidance only and unless otherwise stated applies only to UK citizens without exceptional circumstances.*

- Rochester will ask you to complete an application form for the **Certificate of Eligibility (Form I-20 or DS-2019)** which, together with your passport and other supporting documentation including the letter from Rochester offering you a place and a photocopy of your completed financial resources form, will enable you to obtain a J-1 Visa from the **United States Embassy** in London (or the United States Consulate General in Belfast).
- You will be required to go to the US embassy in London (or your home country) in order to process your visa application, which you are responsible for organising.
- International students going on exchange are advised to apply for a US visa in their home country and not in the UK.
- In order to receive a visa you must show that you have sufficient funds available in your bank account, or are able to supply details of a third person who will support you.

### What’s it like to study there?

“First impressions of the country was the friendliness of the people I interacted with, especially at the University, a very welcoming bunch of people!”

“One of the first things I did was hunt out a cup of tea. Despite the lack of good options it did make me feel slightly more at home. One thing that has struck me about University here is the amount of things that go on. There always seems to be something interesting happening on campus which is great if you are feeling some culture shock.”

“In terms of my courses, I have been really enjoying them as two are very much practical hands on real-life work, in Court and with a non-for-profit organisation which I much prefer to textbook learning. I have also had some great times outside of campus, going to Canada with exchange friends and also Niagara Falls with the ISO office.”

**Henry, Politics Student, Year Abroad 2016/17**
