Robotics and AI – the view from EPSRC

OPPORTUNITIES

- ■ ■ **Research and development funding** – Industrial Strategy Challenge Fund, Strategic Priorities Fund, Fund for International Collaborations, Strength in Places Fund.
- ■ ■ **Skills funding** – EPSRC RAS Fellowships (at all career stages), UKRI Future Leaders Fellowships (£900 million over the next 11 years), EPSRC Centres for Doctoral Training
- ■ ■ **Infrastructure** – opportunity to feed into the development of the UK Research and Innovation Infrastructure Roadmap (Autumn 2017-Spring 2019)
- ■ ■ **New ideas** – EPSRC Big Ideas Initiative

In the 2016 Autumn Statement **£4.7bn of additional funding for R&D** was announced, with a rising profile, over the period 2017/18 to 2020/21.
