Quality of delivery **Average score = 86%** (14 delegates scored 5 and 14 scored 4)

Comments [if any]

- 'Very enjoyable content and delivery'.
- 'Would have liked more focus on results than on methods'

**2. Which of the following did you find most useful?** [please circle as many as apply]

Presentation **= 79%**

Discussion **= 69%**

Networking opportunity **= 59%**

Other [please specify]

- 'Talking with presenters at break'.
- 'Discussions and networking at break'

**3. Do you plan to disseminate messages from this event to your colleagues?** **YES = 90%.**

By:

- Providing a summary of discussions for colleagues (7 delegates).
- Providing oral feedback and discussion with colleagues (8 delegates)
- Sharing links to slides (3 delegates)
- Publication (2 delegates)
- Discussion at National/Regional Conferences in their own country (1 delegate)

**4. How useful was the seminar in helping you to think about future research ideas and collaborations?**

[5 = highly useful; 1 = not useful at all]

**Average score of usefulness = 73%** (20 of 29 delegates scored 4-5 = highly useful)

Comments [if any]

- Child poverty and child maintenance most useful and will take back to my country
- Thought provoking for current research and new research ideas.

**5. Do you have other comments?**

- Good to meet international academics
- International perspective fascinating – good comparisons internationally
- International comparisons enlightening – a fascinating day
- Thoroughly enjoyed listening to international speakers
- Really good seminar with a diverse audience of policy makers, academics and charitable organisations
- Seminar organiser was quite strong
- Good organisation and great venue
