**The impact of conflicting legislation on  
the right to education worldwide**

**Dr. Angela Melchiorre**

Research Coordinator, Right to Education  
Project/ActionAid International

Dr. Melchiorre will offer a 'preview' of the Third Edition of *At what age? Are school-children employed, married and taken to court?*, a worldwide comparative analysis of minimum ages under the Convention on the Rights of the Child. Drawing on States Parties' reports, this work provides a powerful tool for national and international advocacy to hold governments accountable for human rights standards which they themselves have adopted.
