

## **Debating Multidirectional Memory with Michael Rothberg**

**13 January, Berrick Saul Building, University of York, 2-6pm**

The Translating Freedom research network is delighted to host Michael Rothberg, Professor of English, Comparative and World Literature, from the University of Illinois and author of books including *Multidirectional Memory: Remembering the Holocaust in the Age of Decolonization*. The event is organised by the Centre for Applied Human Rights, the Institute for the Public Understanding of the Past and other departments.

**2-3.30pm:** public lecture by Michael Rothberg, Bowland Lecture Theatre

***"Grandpa Was No Nazi": Migration and Multidirectional Memory in Contemporary Germany***

**3.30-4pm:** tea and coffee

**4-6pm:** roundtable discussion of multidirectional memory, Treehouse

*This will be a closed meeting (by invitation only)*
