Year 4 in industry

Final year of the MChem programme

Many organisations currently participate in our "Year in industry" scheme. The following list gives an indication of the variety of one-year placements on offer.

ABBOTT LABORATORIES	Diabetes monitoring systems
AKZO NOBEL The Netherlands	Analytical and synthetic chemistry, process development
ASTRAZENECA	Synthesis and analysis of drug targets
BASF Germany	Crop protection products
BIOFOCUS plc	Medicinal chemistry
BP CASTROL	Catalysts and lubricants
BRISTOL-MYERS SQUIBB	Analytical methods for drug targets
CHEMTURA	Water additives
COGNIS PERFORMANCE CHEMICALS	Speciality chemicals for polymer, lubricant and oil industries
CRODA CHEMICALS EUROPE LTD	Home and personal-care products
CYTEC ENGINEERED MATERIALS LTD	High performance adhesives and composites
DEFRA (CENTRAL SCIENCE LABORATORY)	Analytical methods for agricultural products
DOW CHEMICAL COMPANY Germany	Performance chemicals and plastics
DSM The Netherlands	Chemicals, polymers and life science products
ELI LILLY	Analysis of pharmaceutical products
GE HEALTHCARE	Radiopharmaceuticals
GLAXOSMITHKLINE	Synthesis and analysis of drug targets
F HOFFMANN - LA ROCHE LTD Switzerland	Synthesis and analysis of drug targets
ICI MEASUREMENT SCIENCE GROUP	Analytical and characterisation techniques
ICI PAINTS	Paint formulation development
INFINEUM GLOBAL RESEARCH GROUP	Lubricant additives
INNOVIA	Analysis and characterisation of polymer films
INTERNATIONAL PAINTS (Akzo Nobel)	Aerospace and marine coatings
INTERTEK	Analytical chemistry and spectroscopy
JOHNSON MATTHEY CATALYSTS	Catalyst technologies and fuel cells
KRAFT FOODS	Analytical and food chemistry
LUBRIZOL CORPORATION	Fuels and lubricant development
3M (UK) PLC	Abrasives, adhesives, tapes and film products
NPIL PHARMA	Synthesis of pharmaceutical intermediates
ORGANON LABORATORIES LTD	Synthesis and characterisation of pharmaceuticals
PFIZER GLOBAL RESEARCH & DEVELOPMENT	Synthesis and analysis of drug targets
QUEST INTERNATIONAL	Fragrance products
RECKITT BENCKISER plc	Pharmaceutical and healthcare products
RUTHERFORD APPLETON LABORATORY	Lasers and photochemistry
SANOFI AVENTIS	Isotope chemistry and metabolite synthesis
SCHLUMBERGER	Oilfield chemicals
SMITH & NEPHEW	Heath care products
SYNGENTA	Synthesis and analysis of agrochemicals
UNILEVER The Netherlands	Catalyst development
UNILEVER (UK)	Novel supra-molecular architectures
UNIQEMA	Speciality effect chemicals and personal care products
VERNALIS	Medicinal chemistry of the central nervous system
