Dear Packaging Manufacturer,

We are looking for a company that will produce a form of packaging for our eggs. Packages will be sent to our customers "eggspress delivery" through the Royal Mail. The package must:

1. Protect the egg from damage.
2. Be light to post.
3. Be produced at a competitive price.
4. Look attractive to our customers.

We look forward to receiving your bid for our contract.

Yours faithfully,

Shelley White
