At York I was constantly challenged to think independently, try out new activities and make the most of my time.

“York is a research-intensive Russell Group university and it’s a very inclusive place, so wherever you’re from, you’ll get the chance to follow your passion and learn from some incredibly talented people.

“As soon as you arrive, you’ll become part of the friendly University community, surrounded by a green and open campus, with the historic and beautiful city of York as a backdrop.”

Ben Leatham
Students’ Union President 2015/16
LIFE ON CAMPUS

Our campus has a safe and friendly atmosphere with bars, shops, first-class sports facilities, a swimming pool, health centre, theatres and concert halls, all within easy walking distance. We are continually investing in our campus, new colleges, teaching and learning spaces, laboratories, research facilities and the new Sport Village.

WE ARE SET IN 500 ACRES OF LANDSCAPED CAMPUS, JUST OUTSIDE THE HISTORIC CENTRE OF THE CITY OF YORK
Lively, cultural and beautiful, York is regularly voted one of the best places to live and visit in the UK. It has a fascinating heritage to explore by day, and is an exciting and fun place to enjoy at night. York is student-friendly: big enough to feel cosmopolitan, and small enough for you to cycle or walk around.
You’ll be taught by academics who are passionate about their subject and global leaders in their field.
