PhD supervisions and examinations

Current PhD students: Gloria Moroni, Madison Kerr, Maha Khan.

Past PhD students: Alexandru Ionescu, Valentina Tonei, Marta Favara, Giacomo Damioli, Karon Gush, Francesco D'Amuri.

Ph.D. examination: Yao Pan (External examiner, PhD in Economics, Ca' Foscari University Venice, 2018), Hamna Ahmed (External examiner, PhD in Economics, University of Kent, 2017), Giuseppe Moscelli (External examiner, PhD in Econometrics and Empirical Economics, University of Tor Vergata, 2015), Ijeoma Peace Edoke (Internal examiner, PhD in Economics, DERS, University of York, 2013), Sarah Grace See (External examiner, PhD in Economics, University of Bologna, 2012); María Cervini Plá (External examiner, PhD in Economics, Universitat Autònoma de Barcelona, 2009).

Presentations

2018: 30th Conference of the European Association of Labour Economists, Lyon, September

32nd Annual Conference of the European Society for Population Economics, University of Antwerp, June

- Applied Economics and Econometrics Seminar, Department of Economics, Mannheim University, May
- 2017: DREAMS workshop 3: The economics of selection, University of York, December
 Seminar presentation, Institute of Economic and Social Research, Université Catholique de Louvain, November
 Seminar presentation, Department of Economics, University of Reading, November
 Seminar presentation, Department of Economics, University of Gothenburg, October
 31st Annual Conference of the European Society for Population Economics (ESPE), June
 Seminar presentation, National Institute of Economic & Social Research, London, May
 Workshop on Parental Beliefs, Information and Investments, University of Essex, May
 Seminar presentation Institute of Education, UCL, London, March
- 2016: Seminar presentation, Department of Economics, Ca' Fosacari University of Venice, October
 Seminar presentation at the Luxembourg Institute of Socio-Economic Research, March
 The Dynamics of Inequalities and their Perception (DynIPer) Conference. Marseille, May
 7th International Workshop on Applied Economics of Educations. Catanzaro, June
- 2015: 26th (EC)² Conference: Theory and Practice of Spatial Econometrics. Edinburgh, December
 Seminar at the Norwegian School of Economics, Bergen, November
 Seminar at the Department of Economics, University of Bologna, October
 Seminar at the Department of Socioeconomics, University of Hambourg, July
 Seminar at the School of Economics, University of Kent, April
 Fourth Joint SOLE-EALE world meetings, Montreal, June
- 2014: 26th European Association of Labour Economists, Ljubljana, September
 29th Annual Congress of the European Economic Association, Toulouse, August
 68th European Meeting of the Econometric Society, Toulouse, August
 Seminar in Economics Series, Collegio Carlo Alberto, Turin, April
 Labour and Public Policy Seminar, Department of Economics and Business, University of Aarhus, March
- 2013: 25th European Association of Labour Economists, Turin, September
 28th Annual Congress of the European Economic Association, Gothenburg, August
 Fourth International Workshop on Applied Economics of Education, July 2013, Catanzaro
 IX Workshop in Public Policy Design: Income Dynamics and Intergenerational Mobility, Girona, June
 Workshop on Economics of Successful Children: Families and Schools, Aarhus, January 2013
- 2012: 24th European Association of Labour Economists, Bonn, September
 Seminar Series Department of Economics, University of Girona, August
 27th Annual Congress of the European Economic Association, Malaga, August
 66th European Meeting of the Econometric Society, Malaga, August
 26th Annual Conference of the European Society for Population Economics, Berne, June

- Seminar presentation at the Einaudi Institute for Economics and Finance, Rome, June
- 2011: 23rd European Association of labour Economists Conference, Paphos, Cyprus, September
33rd Conference of the International Association for Time Use Research, Oxford, August
2nd Essex Statistics Workshop, May.
- 2010: International Workshop on Household Survey Nonresponse, Nürnberg, August
Workshop on Measurement Errors in Administrative Data, Mannheim, June
Institute of Education, Wednesdays Research Seminars, London, April
- 2009: Centre for Analysis of Social Exclusion, Welfare Policy and Analysis Seminars, London, October
63rd European Meeting of the Econometric Society, Barcelona, August
British Household Panel Survey Conference, Colchester, July
European Society for Population Economics Conference, Seville, June
- 2008: European Association of Labour Economists Conference, Amsterdam, September
Research Methods Festival, Oxford, July
European Society for Population Economics Conference, London, June
The Royal Statistical Society, Joint meeting of the General Applications Section, Missing data (invited talk), Glasgow, May
- 2007: Department of Economics Seminar, Lancaster University, Management School, October
ESEM, Econometric Society European Meeting, Budapest, August
Workshop on Measurement Error: Econometrics and Practice, Birmingham, July
- 2006: DTI Annual Labour Market Research Conference, New Perspective on Job Satisfaction and Well-Being (invited presentation), London, December
LoWER workshop on “Mobility” (invited presentation), Université de Savoie, Annecy, December
Research Methods Festival, Oxford, July
Methodology of Longitudinal Surveys Conference, Colchester, July
International Conference on Panel Data, Cambridge, July
European Society for Population Economics Conference, Verone June
Applied Economics Seminar, University of Vigo, May
Wage Growth and Mobility, workshop at Centre for European Economic Research (ZEW), Mannheim, March
- 2005: Seminar in Econometrics, Ente Einaudi, Rome, February
Lunch Seminar, Policy Study Institute, November
Econometric Society World Congress, London, August
12th Conference on Panel Data, Copenhagen, June
The Rational of Parenthood Choices, International Conference of the AEA, Pau, March
- 2004: Research Seminar, Department of Economics, University of Sussex, November
International Association for Research in Income and Wealth, 28th Conference, Cork, August
2nd Epunet Conference, Berlin, June

- 11th Conference on Panel Data, Texas, June
- ESRC Conference, Statistical methods for attrition and non-response in social surveys, London, May
- Royal Economic Society Conference, Swansea, April 2004
- 2003: 12th EC2 Endogeneity, Instruments and Identification in Econometrics, December
- Joint Empirical Social Sciences Seminars, ISER, University of Essex, December
- Econometric Institute Seminars, Erasmus University Rotterdam, November
- Workshop on Item nonresponse and data quality in large social surveys, Basel, October
- ESEM, Econometric Society European Meeting, Stockholm, August 2003
- European Society for Population Economics (ESPE) Conference, New York, USA, June 2003
- Chintex Workshop, Wiesbaden, May 2003
- IGIER Seminar, Università Bocconi di Milano, April 2003
- ISER Monday Seminar Series, Institute for Social and Economic Research, University of Essex, Colchester, UK, February 2003
- 2002: Econometric seminars, UCL Center for Operations Research and Econometrics, Univeristé Catholique de Louvain-la-Neuve, Belgium, November
- Methodology and Statistics International Conference, Ljubljana, Slovenia, September
- 10th International Conference on Panel Data, Berlin, Germany, July
- 5th International German Socio-Economic Panel Conference, Berlin, Germany, July
- DIW seminar, German Institute for Economic Research, Berlin, Germany, July
- 2001: 10th EC2 Conference on Causality and Exogeneity in Econometrics, Louvain-la Neuve, Belgium, December
- TMR Savings and Pensions Workshop, Evian, France, August
- British Household Panel Survey Conference, Colchester, July
- Seminar, Department of Quantitative Methods and Economic Theory, Università' G. d'Annunzio of Chieti, Pescara, Italy, June
