## The Workshop

The workshop programme will consist of fourteen papers. Each paper is allocated an hour, made up of a presentation by the authors, followed by a response from a nominated discussant and a general discussion. Presentations by **doctoral students and early career researchers** are encouraged. The number of participants will be limited to around 35. Workshop participants will be expected to attend the whole of the meeting and play a role as either author, discussant or chairperson.

The event will begin on the evening of 13<sup>th</sup> September and finish on the morning of 16<sup>th</sup> September.

## Submission of papers for the 30th European Workshop

Papers for the 2023 Workshop will be selected on the basis of full drafts. The deadline for submitting papers is **1 June 2023**.

Submissions should be accompanied by a completed registration form.

**Electronic submission** of papers is required along with the online registration.

## Registration

Please complete the online registration form at:
