The Workshop

The workshop programme will consist of fourteen papers. Each paper is allocated an hour, made up of a short presentation by the authors, followed by a response from a nominated discussant and a general discussion. Presentations by doctoral students and early career researchers are encouraged. The number of participants will be limited to around 40. Workshop participants will be expected to attend the whole of the meeting and play a role as either author, discussant or chairperson.

The event will begin on the evening of 7th September and finish on the morning of 10th September and includes three nights accommodation.

Submission of papers for the 29th European Workshop

Papers for the 2022 Workshop will be selected on the basis of full drafts. The deadline for submitting papers is 1 June 2022.

Submissions should be accompanied by a completed registration form.

Electronic submission of papers is required along with the online registration.

Registration

Please complete the online registration form at:
