General Information

Skills Tests
We expect that you have either already successfully passed both skills tests or that you have booked the tests prior to the interview.

Booking the skills tests:
Candidates can book their skills tests once they have submitted their application through UCAS Teacher Training. They can book in advance of this as long as an application is submitted before they attend the test centre.

What you need to take to your skills tests:
Two forms of identification – a primary ID such as a passport, and a secondary ID this can be for example a debit card. More information can be found on the STA website. (links to http://sta.education.gov.uk)

You’ll also need to take proof of your teacher training application. The evidence that will be accepted are:

- a welcome email from UCAS Teacher Training
- correspondence from your school or university
- a copy of a completed UCAS Teacher Training application form
- confirmation of, or an invitation to, an interview from your school or university

For more information please visit: http://sta.education.gov.uk

School Experience
You are strongly encouraged to have completed a minimum of two days observing in a secondary school, or attended a School Experience programme prior to attending the interview. You may wish to look at the School Experience Programme information available on the DFE website:

http://www.education.gov.uk/get-into-teaching/school-experience/sep.aspx
Disclosure and Barring Service
All trainees entering PGCE courses are required to obtain clearance from the Disclosure and Barring Service (DBS - formally known as the CRB) regarding their suitability for work involving children. To initiate this procedure, you must bring with you to the interview the original documents as detailed in the DBS information on pages 6-9 of this booklet and a photocopy of each document you provide.

If you already have an enhanced DBS disclosure to work with children and are subscribed to the update service, please bring your current certificate with you to interview; if you are not subscribed to the update service we will not be able to use your current clearance. We would recommend all candidates subscribe to the update service when applying for DBS clearance.

If you have lived, studied or worked abroad
As part of the safeguarding procedures for a PGCE, candidates who have spent time abroad must have police clearance from the countries they have stayed in. Please state at interview the countries you have visited and the length of time you spent in each one.

Disability
We are keen to provide appropriate support for all trainees on our course. If you have a disability you are encouraged to discuss this, in confidence, with the tutor at your interview, regardless of whether the disability was declared on your UCAS form. Please contact the PGCE Admissions team (education-pgce-admissions@york.ac.uk) if you have any specific needs linked to the interview.

Confirmation of attendance
Please confirm your intention to attend the interview either via email or telephone: education-pgce-admissions@york.ac.uk or 01904 322524.

We look forward to meeting you soon.

Subject Knowledge Enhancement (SKE) Courses: a guide

Subject knowledge enhancement courses are perfect for you if you are applying for teacher training in Biology, Chemistry, English, French, German, Maths, Physics or Spanish and either your degree is not subject-specific or you lack confidence in your subject. Some courses are available to complete online, others through distance or face to face learning.

SKE courses are fully funded, so you won’t have to pay any tuition fees and you may be entitled to bursaries available to support you whilst you complete your SKE.

SKEs come in a variety of lengths:

8 or 12 weeks (short)

A short SKE is designed to refresh knowledge or boost confidence in your subject area.

20, 24 or 28 weeks (medium/ long)

A longer SKE may be recommended if:

- your degree isn’t directly related to subject you are planning to teach,
- your degree was undertaken some time ago and your working life has not been related to subject knowledge needed to teach
- you would benefit from considerable confidence boosting in a facet of your PGCE subject knowledge e.g. for Modern Foreign Languages, French is fine but Spanish competence is limited.

An SKE course will either be stipulated as part of your PGCE course offer post-interview or you can request to complete an SKE once you are holding an offer.

**IMPORTANT:** If you are asked to complete an SKE as part of your offer, your course must be completed *before* you start your PGCE programme unless you have approved mitigating circumstances (such as illness) which prevent you from doing so.

If you are given an express permission to complete your SKE after your PGCE course has commenced, you must finish your SKE before December 31\(^{st}\) in the same year you start your PGCE.
