

International Conversation Afternoon

Culture

- What advice would you give to visitors to your country about behaving in a culturally sensitive way?
(Consider clothes, food etiquette, respect of elders, queuing, taboo topics etc)
- How do you think your culture has been affected by tourism and globalisation?
- In your opinion, what is the best way to learn about a different culture?
- Tell your group about a time when you experienced culture shock.
- What are the biggest cultural differences between England and your country? What are the similarities?
- How does the language of your country reflect your culture?
- How do people from other countries see your culture? What is their first association?
- For what is your country/culture famous?
- Have you ever been surprised by the actions of someone from another culture?
