

# International Conversation Afternoon

## Free Time

- What do you enjoy doing in your free time?
- Is free time important to you ? Why ? Why not?
- If you had more free time, what would you do with it and why ?
- Has the Internet changed the way people spend their free time ?
- What do you think is the right balance between work/study and free time ?
- Do you prefer spending your free time alone, with family or with friends?
- Should people be encouraged to spend more of their free time volunteering in the community? Why / Why not?
- When you have a day off, do you like to get up early or have a lie-in?
- Should free time be given more importance by schools, universities, and employers? How and why?
