

International Conversation Afternoon

Pub Culture

- Look at the pictures of things you can do in a British pub – have you experienced any of these in England? Where would you go to do these things in your country?
- Where do you go to chat with your friends in your country?
- Where do you go when you want to ‘let your hair down’?
- Where would you go to try to meet a partner in your country?
- Would you go to a pub/bar on a date in your country?
- Do you usually eat when you drink alcohol in your country, or does just ‘going for a pint’ exist in your culture?
- Is it common to have something like a pub in every village in your country (a place where local people can get together)?
