The Tidal Wave of Diabetes - Prevention vs Complications

A one-day diabetes update for GPs, community and practice nurses, dietitians, podiatrists, pharmacists and all those working in the delivery of diabetes care. Designed by a multi-disciplinary team of diabetes practitioners to generate debate and provide workable solutions for day-to-day clinical diabetes issues.

Wednesday 6th November 2013

**Venue: FERA Lakeside Conference Centre,
Sand Hutton, York YO41 1LZ** (just off A64, free parking)

9.00 am - 4.30 pm

Coffee and registration 8.30 am - 9.00 am

This will be a valuable and stimulating day in clinical diabetes management and care.

Cost: Includes midday meal and refreshments.
£110 (inc VAT) for the first member of the practice booking.
£30 (inc VAT) for each subsequent member of the practice booked.
£30 (inc VAT) for other healthcare practitioners.
£20 (inc VAT) for full-time students.

Places are limited and will be allocated on a first come, first served basis. For further details contact Isla Ballard on northyorks@diabetes.org.uk or telephone 01325 488606 or visit:
www.york.ac.uk/healthsciences/diabetes-conference/

The programme includes:
