The submission deadline is published on the Programme Assessment Schedule available on the following link: http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/			
Referencing You must reference your work in accordance with departmental referencing guidelines which you can access via the following link: http://www.york.ac.uk/integrity/harvard.html			
Assessment Guidance Formative Assessment <ul style="list-style-type: none">- Weekly practical exercises: Students will complete weekly practical exercises, both individually and in groups, to apply key concepts and develop analytical skills in a collaborative learning environment.- Multiple-choice questions (MCQs): Students will engage with online 'test your knowledge' MCQ activities to support ongoing formative learning. Additionally, two time-bound graded quizzes comprising MCQs will be provided. These quizzes are designed to help students consolidate their understanding of key concepts, in alignment with the module learning outcomes. Summative assessment Specific timeframe online examination - The total duration of the exam is 4 hours. It is expected that students will spend approximately 3 hours completing the exam, with an additional hour allocated for uploading their answers. The exam will consist of short essay-type questions and will account for 100% of the overall module mark.
