Assessment Guidance
Formative – Poster presentation
You are required to produce and present a poster which demonstrates an understanding of a care pathway for a child or young person that demonstrates one or more of the following:
1. Health promotion strategies for children and young people and their families
2. Interagency care delivery and the systems established to manage the continuing health needs of children and young people
3. The children's nurse’s role in delivering care in the home or preferred environment
4. The continuing health needs of children and young people and strategies for transition from children’s services to adult services
5. Demonstrate awareness of common mental health issues for the child or young person and the resources and referral routes available

The presentation will take 10-15 minutes and guidance and support will be given in preparing the poster for presentation to the group and lecturers

Summative – Essay analysis of presented care pathway poster
You are required to write an essay analysing the underpinning evidence and rationale for the presented care pathway. You are required to append the poster for reference but this will not contribute to the final mark.

Failure to append a copy of the poster will result in failure of the assignment. The maximum mark available in this circumstance will be 39%.
