Assessment Guidance

Formative Assessment
You will have the opportunity to submit and receive feedback on a written draft (max. 500 words) relating to your summative assessment (essay). Your draft should discuss your role in your current work team, focussing on a strength or an area for development.

Summative Assessment

Part 1 – Essay
You are required to write an essay which analyses the leadership and team working in your current area of practice. Your essay should draw on the literature presented during the module to analyse what makes the team work well and what stops it performing better.

Your essay should include:
- A brief outline of the team you will write about, including its leadership and the importance of team working in healthcare (addressing any issues to ensure confidentiality is maintained).
- An evaluation of the strengths and weaknesses of this team, including your role.
- An appraisal of the effectiveness of the leadership style in promoting effective team working.
- A summary of the key points discussed and the conclusions reached, including what you might do differently in the future and your role within the team.

Part 2 – Electronic Ongoing Assessment Record (EOAR)
You are required to meet all Collaborative Working and Professional Boundaries practice learning outcomes and record 180 hours access to your mentor during the assessed period of practice.

The EOAR is marked on a PASS/FAIL basis only.

You must pass all elements of the assessment to pass the module. In the event of a FAIL result you are only required to resubmit the individual FAILED element(s).
