**Confidentiality**
It is a breach of confidentiality to disclose any personal information about a patient, service user, colleague, staff or any other person or place that could in principle enable them to be identified. For further guidance please refer to the departmental policy on Confidentiality at the following link: [www.york.ac.uk/healthsciences/student-intranet/exam-assess/conduct/confidentiality/](http://www.york.ac.uk/healthsciences/student-intranet/exam-assess/conduct/confidentiality/)

**Assessment Timing**
The deadline for correctly presenting a submission is 4.30pm on the published submission date. The submission deadline is published on the Programme Assessment Schedule available on the following link: [http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/](http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/)

**Referencing**
You must reference your work in accordance with departmental referencing guidelines which you can access via the following link: [http://www.york.ac.uk/integrity/harvard](http://www.york.ac.uk/integrity/harvard)

**Assessment Guidance**

**Formative Assessment**

a) You will have the opportunity to submit and receive feedback on an outline plan of Section 1 of workbook (Defining terms).

b) You will also have opportunity to undertake a short ‘mock’ examination paper to familiarise yourself with the type of questions, and depth of knowledge and understanding required in the summative anatomy and physiology examination.

**Summative Assessment**

**Part 1 – Key Concepts of Health & Well-being Workbook (50% of the total mark)**
You are required to submit a completed copy of the ‘Key concepts of health and well-being’ workbook which examines the areas outlined in the table below. You should use the resources and source material provided in the workbook and those provided in the taught sessions to complete the work.

You must complete all four sections of the workbook. Each section must be completed within the stated word limit for that section.

Part 2 – Closed Examination (50% of the total mark)
You are required to sit a closed examination related to the anatomy and physiology taught in the module. This exam paper will include multiple-choice, labelling, true/false, and sentence completion items.

Part 3 – Electronic Ongoing Assessment Record (EOAR)
You must meet all the Key Concepts of Health and Well-being practice learning outcomes and record 180 hours access to your mentor during the assessed period of practice.

The EOAR is marked on a PASS/FAIL basis only

You must pass all elements of the assessment to pass the module. In the event of a FAIL result you are only required to resubmit the individual FAILED element(s).
