Assessment Guidance <u>Assessment title</u> Unseen written exam <u>Assessment guidance</u> For this module, you are required to complete an unseen written exam. The duration of the paper is 2.5 hours. Please refer to the University’s Guidance for unseen written exams for further information: https://www.york.ac.uk/students/studying/assessment-and-examination/taking-an-exam/ 100% of available marks will be given to the short answer questions. The questions will be based on the module content and learning outcomes - recognise and evaluate the development of complex obstetric and pre-existing conditions to effectively manage additional care needs through decisive midwifery practice and interdisciplinary collaboration. <u>Formative support</u> Practice exam questions will be provided by the module team to support ongoing learning throughout the module and to prepare for the summative assessment. Suggested model answers will be discussed by the module team. Individual feedback for formative assessment will not be provided for this module.
