Assessment Guidance			
Formative Assessment:			
Formative assessment for this module will be a 500 word plan or a section of the directed case study essay to be submitted via the VLE as per the assessment schedule.			
Summative Assessment:			
The summative assessment for this module is an essay based on a directed case study. The case study will be divided into three sections (antenatal, intrapartum, and postnatal) with approximately 1,000 words required per section. You will be expected to consider the relevant biological, psychological and sociological perspectives of-the case study to demonstrate your knowledge and understanding of the appropriate and effective midwifery management and care.			
The case study will be available at the module introduction session.			
The directed case study essay should be referenced and formatted according to departmental guidelines.
