http://www.york.ac.uk/healthsciences/student-intranet/exam-assess/markgrid/

Confidentiality

It is a breach of confidentiality to disclose any personal information about a patient, service user, colleague, staff or any other person or place that could in principle enable them to be identified. For further guidance please refer to the departmental policy on Confidentiality at the following link: www.york.ac.uk/healthsciences/student-intranet/exam-assess/conduct/confidentiality/

Assessment Timing

The assessment date is published on the Programme Assessment Schedule available on the following link:

http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/

Assessment Guidance

Formative assessment

Opportunities will be provided for you to undertake a range of questions to assess your ongoing learning throughout the module. Practice exam questions will be provided by the module team, to support your summative assessment. Suggested model answers will be discussed by the module team. Individual feedback for formative assessment will not be provided for this module.

Summative assessment

For this module you are required to complete an unseen examination.

The duration of the paper is 3 hours. The paper will be available for a period of 24 hours. Please refer to the University's Guidance for online exams for further information.

100% of available marks will be given to the short answer questions. Word limits may be stated for each answer.

The questions will be based on the module learning outcomes and the content covered during the module.
