| Assessment Guidance | | | |
| <u>Formative Assessment</u> | | | |
| For this module's formative assessment, practice exam questions will be given during the module by the module leader, to support you for the summative assessment. Suggested model answers for some short answer questions will be discussed by the module leader. Individual feedback for formative work will not be provided to students for this assessment. | | | |
| <u>Summative Assessment</u> | | | |
| For this module you are required to pass an examination. | | | |
| This will be an unseen examination paper. The paper will be available for a period of 24 hours (for online submission purposes); however, it is expected that students spend a maximum of 3 hours completing this exam. | | | |
| 100% of available marks will be given to the short answer questions. The short answer questions will be based on the module learning outcomes and content covered during the module. Each short answer question will include a maximum word limit, which will vary depending on how many marks are awarded for the question. | | | |
