<p>Confidentiality It is a breach of confidentiality to disclose any personal information about a patient, service user, colleague, staff or any other person or place that could in principle enable them to be identified. For further guidance please refer to the departmental policy on Confidentiality at the following link: www.york.ac.uk/healthsciences/student-intranet/exam-assess/conduct/confidentiality/</p>			
<p>Assessment Timing The deadline for correctly presenting a submission is 4.30pm on the published submission date. The submission deadline is published on the Programme Assessment Schedule available on the following link: http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/</p>			
<p>Referencing You must reference your work in accordance with departmental referencing guidelines which you can access via the following link: http://www.york.ac.uk/integrity/harvard.html</p>			
<p>Assessment Guidance</p> <p><u>Formative Assessment</u> You must arrange an intermediate interview with your practice assessor to review your progress in practice. Any significant concerns about your practice raised at this point, or at any other point during your practice experience, may be written into an action plan/ learning contract. You will need to successfully achieve this actions outlined in the learning contract by the end of your practice experience in order to pass component 1 of the module summative assessment.</p> <p><u>Summative Assessment</u> The summative assessment for this module comprises 2 components, both of which must be passed:</p> <p><u>Part 1 – Practice (Graded)</u> The student is required to demonstrate progression towards agreed midwifery competencies for Stage 2. The student is required to demonstrate competence in generic Performance Skills Outcomes specified in Common Assessment Document, through a range of assessment methods. This element of the assessment will be given an academic mark by the practice assessor in practice.</p> <p><u>Part 2 – Reflective Essay (Pass/Fail)</u> The student is required to complete a reflection on practice piece of work, using a reflective cycle of choice. Included sources must be appropriately referenced.</p> <p>Should you fail one or more elements you will be required to be reassessed.</p> <p>Due to their nature, the University’s anonymous marking policy does not apply to any of the assessments for this module as students can be identified through the content or delivery of the assessment. Therefore, assessments submitted should be identified with the student’s name only and not the student’s examination candidate number.</p>
