<b>Assessment Guidance</b>			
<u>Formative Assessment</u>			
Submitting either an essay plan or draft of a 500 word section of your summative essay for feedback			
<u>Summative Assessment</u>			
The summative assessment for this module is a reflective essay.			
Identify a scenario from your clinical practice which involved an aspect of communication. Reflect on this scenario using a model of reflection, including analysis and discussion of the development of your inter-personal and intra-personal communication skills. Explore how this development has contributed to your transition from lay person to professional.			
Your reflection should incorporate the following:			
<ol style="list-style-type: none"> <li>1. A suitable model of reflection which has been applied to your scenario using the appropriate sub-sections of the cycle.</li> <li>2. Demonstration of your understanding of theory that underpins your discussion and conclusions.</li> <li>3. Consideration of how the scenario has enabled your learning from experience, and how this may affect your future practice.</li> <li>4. Demonstration of wider reading within communication, as applied to your scenario, and your learning from it.</li> </ol>
