| <b>Assessment Guidance</b><br><br><u>Assessment title</u><br>You are required to undertake a field of practice specific 20-minute OSCE to assess your knowledge and application of consultation skills, history-taking and physical assessment skills. This will be followed by a 10-minute viva where you will be questioned on your clinical decision making.<br><br><u>Summative assessment guidance</u><br>Part 1 – OSCE<br>You are required to undertake an OSCE. You should demonstrate/consider the following: <ul style="list-style-type: none"> <li>● Use an appropriate framework to structure your consultation</li> <li>● Obtain a focused history relevant to the history of presenting complaint</li> <li>● Discuss the relevant physical and (or) mental health examination</li> <li>● Consider the differential diagnoses based on the history of the presenting complaint and the clinical examination (subjective and objective data). Consideration must be given to any ‘red flags’</li> <li>● You will be required to formulate a clinical management plan, attend to safety netting, and closing the consultation</li> <li>● NB failure to achieve <b>all</b> the OSCE starred (*) criteria will result in a <b>fail</b>.</li> </ul> Part 2 – Professional discussion <ul style="list-style-type: none"> <li>● Following the OSCE you will actively participate in a 10-minute professional discussion where you will be asked questions on your performance and the evidence base that informed your decision making.</li> </ul><br><u>Formative support</u><br>To help prepare you for your OSCE, you will have the opportunity to: <ul style="list-style-type: none"> <li>● Participate in consultation skills practice and receive feedback from your peers and the seminar lead</li> <li>● Complete formative clinical case scenarios during the seminars</li> <li>● Apply the consultation and clinical assessment skills to clinical practice (Nursing Practice Two)</li> <li>● Undertake a formative OSCE and professional discussion, and receive verbal feedback from the examiner</li> </ul> |   |   |  |
