<b>Assessment Guidance</b>			
<u>Assessment Title</u>			
'Critically analyse how psychosocial factors and health policy influence the impact of ill-health on an individual related to your field of practice'			
<u>Assessment Guidance</u>			
You should:			
<ol style="list-style-type: none"> <li>1. Select a person relating to your field of practice.</li> <li>2. Include a concise summary of the individual's ill-health as an appendix.</li> <li>3. Apply and critically analyse relevant psychosocial theories / concepts to consider psychosocial factors impacting the person's experience of ill-health.</li> <li>4. Examine and discuss how health policy influences the person's experience of ill-health (such as ease of access to services, for example).</li> <li>5. Ensure that your essay draws upon appropriate sources of evidence throughout.</li> </ol>			
<u>Formative support</u>			
To assist you in developing your essay, you will have the opportunity to:			
<ul style="list-style-type: none"> <li>• Discuss the development of your essay with your peers and seminar lead in the seminar</li> <li>• Prepare a 500-word draft section of your essay and discuss with your seminar lead</li> </ul>
