Assessment Guidance <u>Assessment Title</u> What is care within the context of nursing? <u>Assessment Guidance</u> <ul style="list-style-type: none"> In the introduction, set out the purpose of your essay, how you will achieve this and why it is important to consider this question.(Approximately 200 words).(Write this in the third person). In the main body of the essay, discuss relevant definitions and how these varied forms of evidence (e.g. theoretical, empirical research, patient, policy, and professional perspectives), inform an understanding of care within the context of nursing (Approximately 1,500 words). (Write this in the third person). Conclude your essay by reflecting on what you have learned by exploring care within the context of nursing and the implications of this learning for your professional development. (Approximately 300 words). (Writing in first person is acceptable within your conclusion). <u>Formative support</u> To assist you in developing your essay, you will have the opportunity to discuss a plan for the content of your essay and the forms of evidence you intend to use with your peers and facilitator in a seminar group session.
