**Marking Criteria**
Guidelines should be read in conjunction with the marking criteria guidance for the module level* noted above: [http://www.york.ac.uk/healthsciences/student-intranet/exam-assess/markgrid/](http://www.york.ac.uk/healthsciences/student-intranet/exam-assess/markgrid/)

**Confidentiality**
It is a breach of confidentiality to disclose any personal information about a patient, service user, colleague, staff or any other person or place that could in principle enable them to be identified. For further guidance please refer to the departmental policy on Confidentiality at the following link: [www.york.ac.uk/healthsciences/student-intranet/exam-assess/conduct/confidentiality/](http://www.york.ac.uk/healthsciences/student-intranet/exam-assess/conduct/confidentiality/)

**Assessment Timing**
The deadline for correctly presenting a submission is 4.30pm on the published submission date. The submission deadline is published on the Programme Assessment Schedule available on the following link: [http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/](http://www.york.ac.uk/healthsciences/student-intranet/timetables/assessment-schedules/)

**Referencing**
You must reference your work in accordance with departmental referencing guidelines which you can access via the following link: [http://www.york.ac.uk/integrity/harvard.html](http://www.york.ac.uk/integrity/harvard.html)

**Assessment Guidance**

**Formative Assessment**
Multiple-choice questions (MCQs) and assertion reason questions (ARQs) will be used to consolidate taught sessions. No formal examination conditions applied.

**Summative Assessment**
This is a closed examination, consisting of 40 ARQs. The ARQs will test the understanding of human Anatomy and Physiology in relation to the systems studied as well as its application in the context of nursing practice.

A pass mark of 50% (20 ARQs) is required to pass this assessment at level 7.
